MTSS Implementer Sessions

Purpose

- Bring together various staff working to implement MTSS at the building-level, including but not limited to coaches, school psychologists, academic/behavioral interventionists and principals.
- Increase local capacity to implement the components of MTSS with fidelity, with a focus on data systems to promote *effective intervention management and progress-monitoring*.
- Provide time for teams to develop and refine local infrastructures, address barriers to implementation, and create a plan for applying new strategies/tools to their settings.

Please register at <http://pd.inghamisd.org>.
SCECHs available.

Day One:

Managing Tier II/III Interventions

November 14, 2013 9:00 am—3:30 pm
Hannah Community Center, East Lansing, MI

Day Two:

Determining the Success of Interventions and Next Steps

March 7, 2014 9:00 am—3:30 pm
Hannah Community Center, East Lansing, MI
